

BAD Panda

Swapna Haddow SHEENA DEMPSEY

Activity * Draw a panda!

Use Sheena's step by step instructions below to draw a panda.
Use a pencil and have an eraser handy in case you make a mistake!

1. Draw a shape like a panda's bottom without the tail.

2. Draw semi-circles for ears and circles for eyes. Make her look really BAD by drawing eyebrows at an angle to her eyes.

Rub out around her face and add fluff.

4. Add a 'U' for her body.

Add some texture for the fur.

3. Give her a few lines for her nose and mouth and muzzle. Draw eyelashes to make her look sooper dooper cute.

5. Give her some arms and legs to be bad with and colour in her panda markings.

6. Say 'ARRRRGGHHHHHHHHHH!!!'
